

CERSANIA WASHBASIN FAUCET

[COLLECTION CERSANIA FITTINGS](#)

PRODUCT CODE:

S951-232

Product description

The CERSANIA washbasin tap comes with a reliable ceramic head for precise adjustment of the water stream. The Cersanit Air water stream aerator increases water stream volume. Faucet has flexible connecting hoses 35 cm long, with certificate confirming the high quality - a special coating inside of the hoses with the result that the water does not change the taste and smell. As a standard, the faucet includes a pop-up plug, which allows the automatic drainage of the water from washbasin. Faucet body is covered by a 7-year, and ceramic cartridge 5-year guarantee.

Technical data

Acoustic group	li
Assembly method	Standing
Battery type	Mechanical
Body height	14,3 cm
Colour	Chrome
Connection hoses	Flexible connecting hoses g 3/8 inch, length 350 mm
Diameter of the head	3,5 cm
