

**SUARO DECK-MOUNTED HIGH WASHBASIN FAUCET
CHROME WITH AUTOMATIC CLICK-CLACK PLUG**

[COLLECTION SUARO](#)

PRODUCT CODE:

S951-238

Product description

SUARO high washbasin faucet with 35 mm ceramic cartridge, which guarantees precise water temperature regulation. Thanks to the Cersanit Water Save Aerator, the water stream is always soft and aerated. It limits the water flow to 6 l/min, thus saving water and money. The faucet is also equipped with 40 cm long flexible Eco EPDM connection hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so the water does not change its taste or smell. The set includes a metal CLICK-CLACK plug. Product is covered with 12-year warranty on the body and a 5-year warranty on the cartridge.

Technical data

Acoustic group	II
Assembly method	standing
Battery type	mechanical
Body height	28,9 cm
Colour	chrome
Connection hoses	flexible connecting hoses G 3/8 , lenght 400 mm, ECO EPDM, WRAS certificate
