

ZEN DECK-MOUNTED HIGH WASHBASIN CHROME

COLLECTION [ZEN](#), [ZEN FITTINGS 2](#)

PRODUCT CODE:

S951-592

Product description

The ZEN collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. Modern faucet handles finished with a knurled surface are an interesting stylistic addition to the entire ZEN collection. The uniqueness of chrome products from the ZEN collection is also evidenced by the surface finish of the fittings, which has been protected with Cersanit's abrasion-resistant Super Shine coating. The single-handle countertop washbasin faucet from the ZEN collection is fitted with the ecological Cersanit Water Save aerator and a 25 mm ceramic cartridge which enables smooth control of the water stream. The ecological Cersanit Water Save aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The faucet is also equipped with 60 cm long G 3/8" Eco EPDM connecting flexible hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
