Product description

The ZEN by Cersanit collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. The concealed shower set from the ZEN by Cersanit collection is a complete solution for every bathroom. The concealed bath-shower faucet is fitted with a 35 mm thermostatic ceramic cartridge which enables smooth control of the water stream throughout its life cycle. The concealed part of the fittings is a modern solution in the form of a box, which is easy to install and replace. The set includes the SLIM (0.2 cm) stainless steel 25 cm rain shower with Cersanit EasyCLEAN silicone finish, a 2.4 cm diameter single-function hand shower, a 150 cm long PVC shower hose (WRAS certified) and a 64 cm long bar with sliding holder (stainless steel). The set has a matte black finish. The product comes with a 12-year warranty on the body, a 3-year warranty on the thermostatic cartridge and a 2-year warranty on the other elements of the set.
