

MODUO DECK-MOUNTED HIGH WASHBASIN BLACK

COLLECTION [MODUO](#), [MODUO FITTINGS](#)

PRODUCT CODE:

S951-585

Product description

Thanks to the universal style of the MODUO concept, even the classic design of the fittings will fit into any bathroom. The single-handle countertop washbasin faucet from the MODUO collection is fitted with the ecological Cersanit Water Save aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The ecological Cersanit Water Save aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. The faucet is also equipped with 40 cm long flexible Eco EPDM flexible connecting hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so that the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.

Technical data

Acoustic group	I
Assembly method	Standing (easyfix)
Body height	27,2 cm
Colour	Black
Connection hoses	Flexible connecting hoses g 3/8 inch, length 400 mm, eco epdm, wras certificate
Diameter of the head	3,5
Flow class	Z
Perlator	Aerator cersanit water save
The length of the spout	16,1
Type of chroming	Damage-resistant body surface: special colour application technology
Type of head	Ceramic
Value for the acoustic group	To 20 db
Value for the flow class	5,3
Warranty	12 years for body , 5 years for cartridge
EAN code	5901771053163
Product index	AATW1001507191
