

INVERTO OVAL WASHBASIN SIPHON GOLD

COLLECTION [INVERTO](#), [INVERTO FITTINGS 1](#), [INVERTO FITTINGS 2](#)

PRODUCT CODE:

S951-714

Product description

Washbasin siphons in recent years have become a popular decorative element of bathrooms, not just a utilitarian part of sanitary equipment. OVAL decorative siphons are characterized by slender, streamlined shapes - ideally suited to a bathroom with a subtle character that needs a touch of dynamics. This option is offered in three finishes: glossy and classic chrome, expressive matte black, and elegant gold.
