

INTERA FLUSH BUTTON WHITE

[COLLECTION INTERA](#)

PRODUCT CODE:

S97-019

Product description

The elegant INTERA flush button is based on a circular design. Two (round and oval) push buttons slightly protrude above the flush plate, which enhances their convenience and visual appeal. This model can be used with economical dual flushing systems. It is made of white plastic. This flush button is compatible with WC concealed systems: AQUA series 0/2/4, SYSTEM series 0/2, HI-TEC, LINK. The button works with FRESH SYSTEM - a perfect solution for anyone wishing to use fresheners with CleanOn (no rim) wall hung bowls. A total and fresh solution for all-round toilet hygiene.
