Product description

WC compact toilet in the version with vertical outflow and water connection from the bottom of the cistern. The modern design and the unique shade of Cersanit White distinguishes the Arteco CleanOn WC compact toilet. Thanks to the innovative CleanOn technology, water can enter every part of the inner side of the bowl. The absence of an internal rim in the bowl means no place is left for dirt, bacteria and germs. The compact toilets have an efficient water flushing system 3/5 l. The set includes the polypropylene soft closing toilet seat.
