

## NATIONAL DECLARATION OF PERFORMANCE

No. 4/B/AS/CSE/01

1. Name and trade name of the construction product: Mechanical mixing valves (PN 10) standing and wall-mounted, for washbasins and bidets including connecting hoses, bath, shower as well as bath and shower mixing valves – series: SIMI, CARI, AMET, VERO, LUMI, AVEDO, MILLE, ELIO, VIGO, CROMO, LUVIO; MAYO.
2. Type designation of the construction product: S 951-001 ... 018 and S 951-025 ... 052.
3. Intended use or uses: for installation in water supply systems in residential, industrial, healthcare, public utilities and service facilities
4. Manufacturer of the construction product: CERSANIT S.A. Al. Solidarności 36 25-323 Kielce.
5. Production site: Fengdu Road (west) No.35, Tangxia Town, Rui'an , Zhejiang, Yuhuan Sci-tech Industrial Area, Qinggang Town(xiaqiu), Zhejiang, China;
6. Name and address of the authorized representative, where applicable – not applicable.
7. National system applied for assessment and verification of constancy of performance: Assessment system 4.
8. National technical specification:
  - 7a. Polish Product Standard: PN-EN 817:2008 –Sanitary tapware, Mechanical mixing valves (PN10) – General technical specification; PN-EN 13618:2017-01 –Flexible hose assemblies in drinking water installations. Functional requirements and test methods.  
Name of the accredited certification body, accreditation number and national certificate number or the name of the accredited laboratory(s) and accreditation number – not applicable.
  - 7b. National Technical Assessment – not applicable.

Technical Assessment Body/National Technical Assessment Body: not applicable.  
Name of accredited certification body, accreditation number and certificate number: not applicable.
9. Declared performance:

| Essential characteristics of the construction product | Performance              |
|---|--------------------------|
| <b>Mechanical mixing valves</b>                       |                          |
| Maximum pressure                                      | Compliant                |
| Hydraulic strength                                    | Compliant                |
| Tightness   | Compliant                |
| Durability  | Compliant                |
| Acoustic class  | 2                        |
| Flow class  | on the mixing valve body |
| Fitting dimensions                                    | Compliant                |
| <b>Hose assemblies</b>                                |                          |
| Fitting dimensions                                    | Compliant                |
| Nominal pressure                                      | Compliant                |
| Nominal diameter                                      | DN 8                     |

10. The performance of the product identified above is in conformity with all the declared performance listed in point 8. This national declaration of performance is issued in accordance with the Construction Products Act dated 16 April 2004 under the sole responsibility of the manufacturer.

Signed for and on behalf of the manufacturer by:

Kielce 01.06.2017
